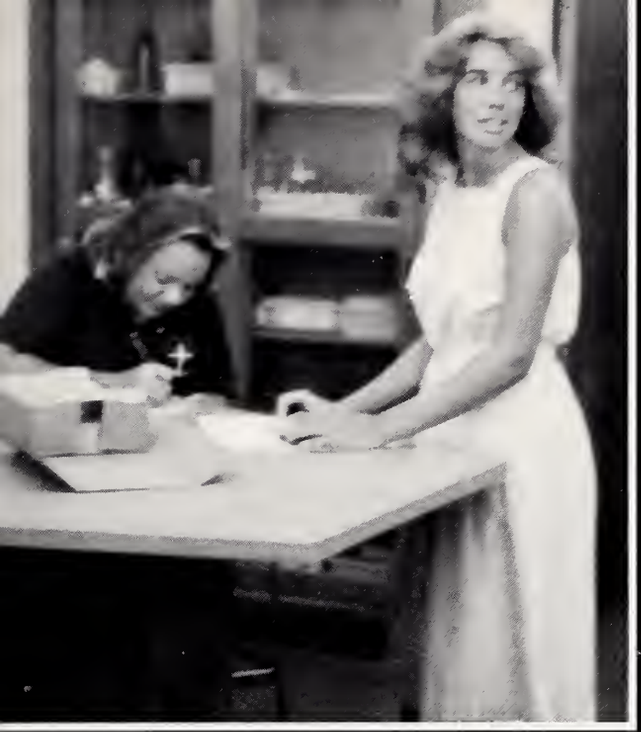
The Place to Be.

WESSON / NATCHEZ

Don't worry if your job is small, and your rewards are few; Remember that the mighty oak was once a nut like *YOU!*



There's a time to part and a time to meet. There's a time to sleep and a time to eat. There's a time to sing and a time to pray. There's a time that's glad and a time that's blue. There's a time to grin and to show your grit. But there never was a time to quit . . .

YET . . . SOMETIMES DON'T YOU GET THE FEELING SOMETHING AIN'T GOING RIGHT!!!

I PROMISE TO . . .
Never make a fool of myself.
Always keep my word despite myself.
Control my temper under pressure.
Tell the truth and nothing but the truth.
Always mind my own business.
Give others the rights I claim for myself.
Always withhold my opinion until I know the facts.
Always be loyal to loyal friends.

WELL . . .
ALMOST ALWAYS . . .

Co-Lin/Natchez, the place to be. 1981-82 opened with renovated facilities at the Old Washington School. A full academic program. A well-qualified staff. Hundreds of students. That's Co-Lin/Natchez.

Dr. Billy Thames leads both campuses

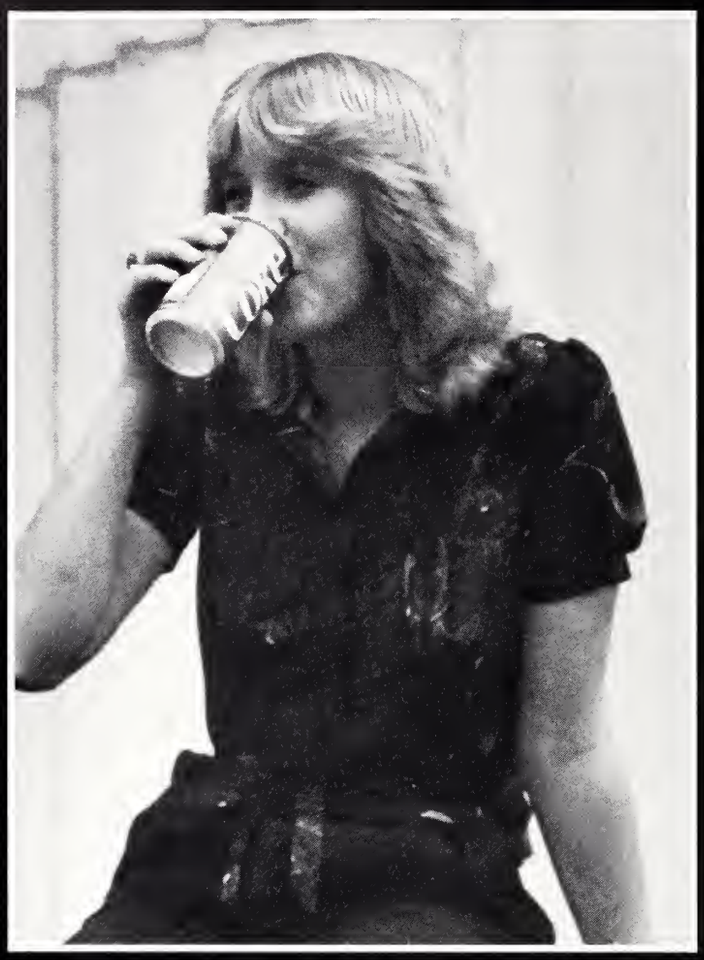
Dr. Billy B. Thames, president of the Copiah-Lincoln Junior College district since January, 1968, constantly works for the expansion and growth of both the Wesson and the Natchez campuses.

Evident of expansion on the Wesson campus was the completion of the new $2.7 million W. S. Henley Student Union Center and the renovation of Callendar Hall, the renovation of the J. M. Ewing Administration Building, and an addition to Memorial Library. Construction of new facilities on the Wesson campus has highlighted Dr. Thames' years of service to Copiah-Lincoln. Enrollment continues to increase year by year. With a long-range program of a joint USM/Alcorn/Co-Lin campus for Natchez, the campus moved for the 1981-82 school year to the old Washington School.

He is married to the former Anne Allen of Monticello and they are parents of three children, Rachel, Rebecca, and William, Jr.

The Thames family (left to right) Rebecca, Rachel, Dr. and Mrs. Thames, and William.

Natchez . . . a place to be



A feeling of belonging . . . of having friends . . . studying . . . enjoying fellowship . . . seeking a quiet moment to be alone . . . talking with friends . . . all a part of CO-LIN/Natchez.

Five selected to Co-Lin's Hall of Fame

To be chosen to the Hall of Fame is the highest honor that can be given a Copiah-Lincoln Junior College student. The 1982 TRILLIUM presents three graduating sophomores in the twenty-ninth selection on the Wesson campus and two graduating sophomores in the fifth selection on the Natchez campus. Each was nominated in open nominations, approved by a screening committee of fellow students, recommended by a faculty committee on the basis of character, leadership, and contribution to Copiah-Lincoln Junior College. Dating back to 1954, this year's Wesson campus selection adds three to the list of 83 previous winners. STUDENT LIFE

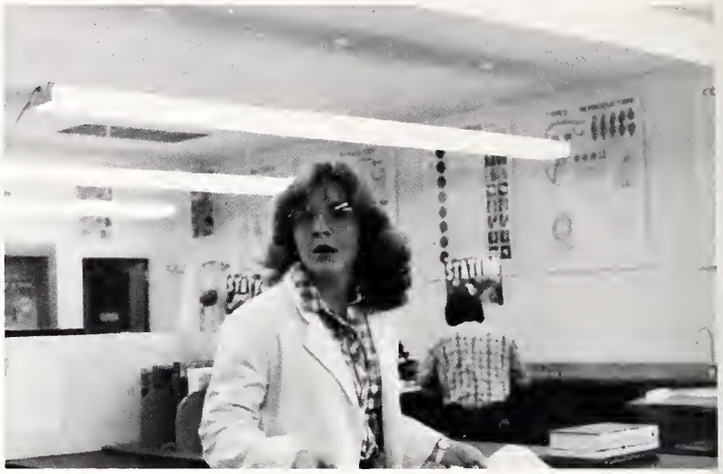
Life at Co-Lin

I don't talk bad about my enemies. I just think it!



Why is it that the wrong way always seems the most reasonable!

Why didn't anyone tell me that being a Musician was one percent inspiration but 99 percent perspiration.

Look Becky; this is just a photo for the annual. It's not an Ultrabrite commercial!

Who says studying can't be entertaining?

I don't care what Dr. Schexnayder talks about as long as he says it in only a few words!

I do my best thinking sitting down. This is where I really shine!

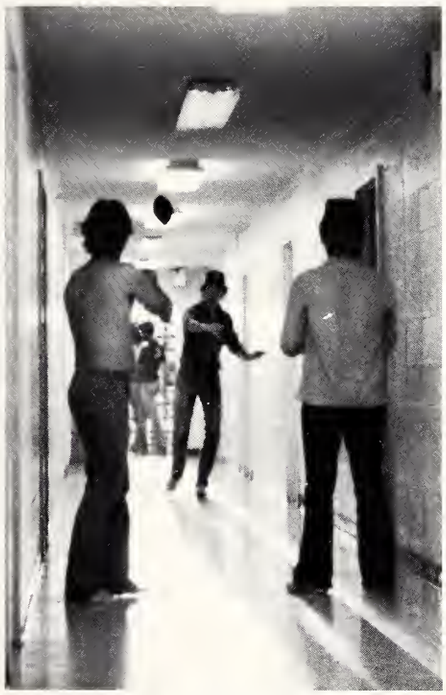
Oh no! I've got lunch next period!

has its ups and downs

Does anyone recognize this place in the daytime?

Just remember Joey, everybody has a right to their own opinion as long as it agrees with ours!

Lifting weights can drive you nuts. How do you think I got here!



Of course we never disobey the dorm rules!

Advisor's Rec Hall!!!

We may be as bad as the worse, but we are always as good as the best!

Look, the easiest way to get a woman to change her mind is not to fight with her; just agree with her!

Campus antics prove funny

So she thinks she is a Colette?

"Moonlight Serenade" at noontime? Webb, we always knew you concentrated on your music too intensely!

The bad thing about a term paper is that you always rush to submit it in haste, but the teacher always returns it at leisure!

Oh no! Russell Ray says that Trailblazers have to keep a "C" average. How are we going to explain these to him.

Just remember, Colleges don't make fools, they just develop them!

"Zeke, are you sure that this is the correct answer to that accounting problem?"

Dorm life proves Co-Lin's the place to be

Nish, just what is that you are trying to hide?

My idea to clean up my dorm room is to sweep the room with a glance!

Just remember Gail, there is your side of the story, my side, and the truth.

Don and Mark, where did you get that Monticello Street sign?

My teachers always told me to erase my mistakes. To me, the best eraser in the world is a good night's sleep.

Look Walter, the Playgirl photographer said for us just to act natural.

College days: anticipation, realization, remembrance

The day the sky fell, 1982

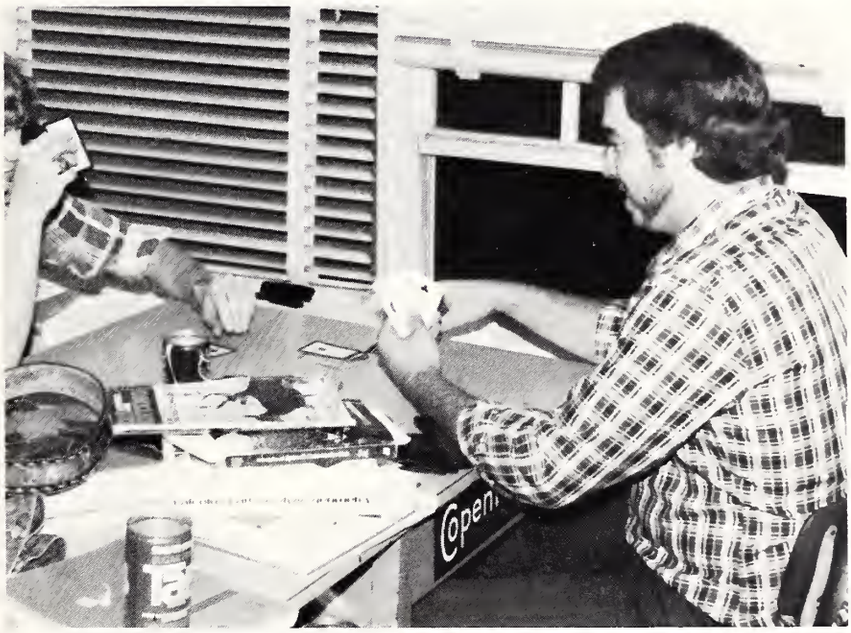
Pictures express various moods

Two birds of a feather flock together.

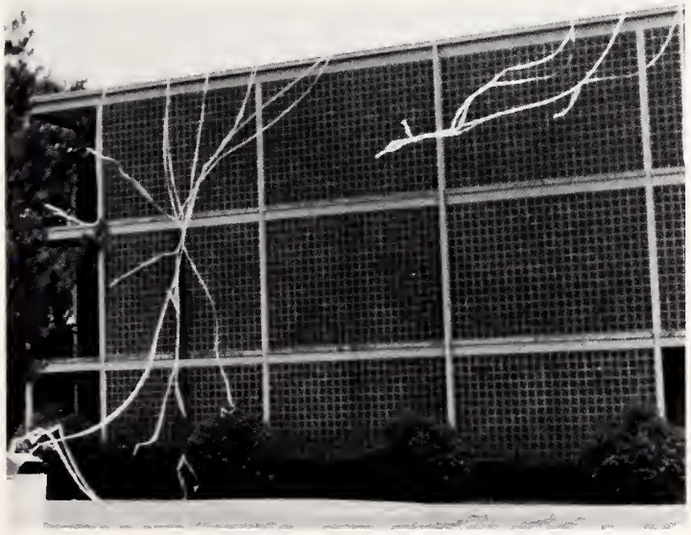
By the expression on everyone's face that Pep Rally sure was fun.

It looks like their motto is "winning is not the most important thing . . .

IT IS THE ONLY THING!



I think I will do my demonstration speech on how to cheat at cards. Mr. Landress said to do it on something different, besides that will just come natural!



Happy Halloween, CO-LIN!

Great green gobs of greasy grimy gopher guts, marinated monkey meat, itsy-bitsy birdy feet, frenched fried eyeballs dipped in Kerosene, to eat without a spoon . . . Why is it that this song always comes to mind when we eat in the Co-Lin Cafeteria?

In Memorial

Tina Marie King

Tragedy struck the Wesson Campus on the night of December 13, 1981, when Tina King of Magee was killed in a one-car mishap. Tina, a freshman majoring in accounting, was also a member of the Co-Lin Flag Corps. Miss King, 18, was the daughter of Mr. and Mrs. Jimmy King of Magee.

Friends at Copiah-Lincoln mourn the death of this fellow student. Remember, in our thoughts, Tina is not gone, she is just away.
